Johnson & Co., in this city. These bonds were purchased with the profits of the game and were being held as a sort of green goods bank roll against the time when the exposure must come.

Call Money at 9 Per Cent.

Early in the day the rates for call money touched 9 per cent., but most of the loans were made at 7, 71-2 and 8 per c. it. Some of the banks called loans and there was an adjustment of when the exposure must come.

Call Money at 9 Per Cent.

District-Attorney and Commissioner of Police a few days ago. Detective Sergeant Rynders and Policeman Walsh, who is attached to the District-Attorney's office, served the warrant.

Stripp is charged with violation of of him had deposited \$140,000 in bonds Call Money at 9 Per Cent.

syndicate to have the bonds transferred report that a holding company would ing the registration to be false, allowed

to the account of that concern.

And this is where the Miller syndicate creditors would have come in had they not sold their claims. While the suit was pending wise persons bought up the Miller syndicate creditors. Now Me Members of the test specific properties and place of the test specific propert that a holding company would ing the registration to be false, allowed McKenna to swear to it.

Among the witnesses who appeared before Justice Holbrook before the warrants were also heavy purchasers of the var creditors would have come in find they not cold their claims. While the suit was pending wise persons bought up the Miller syndicate creditors. Now Mr. Lloyd has won his suit, there is 1140,000 to the credit of the Miller syndicate creditors and the Miller syndicate creditors. Now Mr. Schurman, which is to have traffic placific was excremely aggressive and forced the price beyond the 80-point mark. The purchases were heavy at they had signed cast-iron transfers of mark. The purchases were heavy at the advance.

they had signed cast-iron transfers of their claims and brought suit to have the transfers set aside. If this suit should be decided in their favor there will be a dividend for the trusting minds that confided to Miller their savings on a promise of 10 per cent. a tweek. If it does not all the money goes to the persons who bought up the claims.

The Wheat Market.

There was plenty of wheat and corn for sale this morning at the opening of the wheat market despite the rain and the money goes to the claims.

They was plenty of wheat and corn for sale this morning at the opening of the wheat market despite the rain and the claims.

DR. KOCH HERE

Eddystone Went Down at Her Pier Famous Authority on Consump-PHILADELPHIA, Pa., Sept. 9 .- The tion and Asthma Gives His reight steamer Eddystone of the Ches-Advice Free to Many er Shipping Company sank at her pier

Sufferers. ten men narrowly escaped drowning. The vessel is submerged in twenty feet Dr. Edward Koch, the great German physician and inventor of the Koch Inhalation. of water. Her owners value her at \$15,-

which has revolutionized the method of treating consumption, asthma and hay fever, is now in New York at the Koch Lung Cure office, 48 West 22d st.

The Cotton Market,

The local cotton market opened steady to-day with prices 1 to 5 points higher. Cables were much better than expected and after the opening the whole market gradually gained in strength on general buying led by nervous shorts. Trading was active and commission houses and Wall street bought freely. Europe was a buyer of fall and winter months.

The opening prices were: Septemoer, 8.24 to 8.25; Cotober, 8.21 to 8.22; November, 8.16 to 8.17; December, 8.16 to 8.16; March, 8.08 to 6.09; April. 8.12; May, 8.11 to 8.12.

The prices at 2.20 P. M. were: Ootober, 8.25; December, 8.28 bld; January, 8.25; March, 8.19; May, 8.22.

Cure office, 48 West 22d st.

It will be remembered that Dr. Kech's visit to be International Tuberculois Congress, in London, last July, with his latest method of vaporizing the inside of the lungs of kill the germs of consumption, met with such great favor that he has found it necessary to establish an office in solve the such great favor that he has found it necessary to establish an office in seven with wonderful success.

Dr. Koch has established the curability of consumption, asthma and hay fever beyond a shadow of a doubt. Individuals in whom there was extensive destruction of the pulmary tissues have recovered by the use of whom formerly were confirmed consumptives, will prove.

The Koch hall be glad to give his advice free to all who will call on him at his New York office, 48 West 22d st.
